Director Curran provided an update on the progress of the Serramonte Main Library bathroom accessibility remodel. Demolition is scheduled to take place at the beginning of June. Library visitors will have access to the west side bathrooms at Gellert Clubhouse during construction.

2. Budget Update:

In response to the City's structural budget deficit, all City departments have been directed to reduce their budgets for the next two fiscal years. Director Curran reviewed the Library service reductions proposed in the next biennial budget. Most significantly, hours at all four libraries will be reduced; no libraries will be closed. Cuts affecting all branches will include 34 fewer open hours per week. Bayshore operating hours will be reduced by one hour per week. The John Daly branch have 14 fewer open hours per week. Westlake's operating hours will be reduced by 7 per week. The Serramonte Main library will be open 12 fewer hours per week. These changes will reduce costs for hourly staff by \$121,000. Also affected are the budget for materials, which will be reduced by \$10,000, the budget for online public subscriptions (\$26,000), program supplies/services (\$21,000), the salt water fish tank at Westlake Library (\$2,400), and other miscellaneous smaller costs.
