APPROVAL OF MINUTES

Motion made by Commissioner Sison and seconded by Commissioner Proano to approve the February 28, 2017 Minutes. Unanimously approved.

DIRECTOR'S REPORT:

1. Overnight Parking at Westlake Park - Director Curran said people are aware that Westlake Park has ample parking compared to other facilities. There is a long standing tradition among the seniors/volunteers who take overnight or sometimes multiple night excursions to park at Westlake. These outside groups take multiple trips throughout the year and they take a large amount of the parking lot. These trips are not sponsored by City of Daly City. Right now there is no regulation on the books. Director Curran certainly does not encourage anyone parking overnight for safety reasons but since the practice is happening rather than denying or ignoring it, this is an opportunity to regulate this. It is within the purview of the City Manager's to establish parking regulations at City facilities such as Westlake Park. Through the City Manager's office, we can take step one and prohibit overnight parking. Director Curran said that it is not what he is hoping to do because he does not want to deny seniors/volunteers from going on these trips. He thinks that there should be a compensation factor. He encouraged them to take carpools or find other means to get to the parking lot. But for those that have to drive, he does think it is unreasonable to be compensated for the use of the parking lot and urge to formalize it. The Commissioners recommend to charge an \$8.00 fee per vehicle for overnight parking at Westlake Park. The Commissioners would like this Agenda item to go to City Council for approval. (MSP:Sison/Proano)
