DIRECTOR'S REPORT:

1. Pickleball Update: Retired DCPD Terry Chew presented tonight's Pickleball update. He currently serves as Ambassador to USA Pickleball Association (USAPA). He is here to promote the sport to all ages of our community. This is one game you can play with your children. Mr. Chew said that Pickleball is a real sport. It is said to have been created during the summer of 1965 on Bainbridge Island, Washington. According to co-inventors U.S. Congressman Joel Pritchard, William Bill Bell, Jordan Steranka, and Barney McCallum, their intent was to create a fun new sport for the entire family. Pickleball is one of the fastest growing sports in the world. In 2015, there were 2.46 people playing the sport. There are about 4,000 locations where you can play the sport around the country. City of Daly City started playing indoor pickleball October 4, 2016 at the Pacelli Gym. Mr. Chew demonstrated to the Commissioners how to play the game. Daly City is blessed with people who are passionate about the sport and who will volunteer their time to host novice training clinics. Mr. Freddie Nadarisay also loves the game of Pickleball. His goal is to introduce Pickleball to Westmoor HS.
