DIRECTOR'S REPORT:
1. Volunteen Leadership Program (VLP) – Edgardo Bolanos, Recreation Program Supervisor, presented this year's VLP to the Commissioners. Volunteens engaged participants in the Summer Youth Recreation Program (SYRP) by leading activities and games and helps prepare for our special events and activities. Trainings are held each Monday focusing on leadership, safety, team building, communication, diversity and more. Volunteens who complete service hours by certain dates may qualify for bonus rewards and additional field trips. Volunteens who complete 100 plus community service hours were rewarded with a teen movie trip. Some former volunteens were present at the meeting to share their experiences and how the program has helped them transition into becoming recreation leaders. VLP is an opportunity for teens in 8^{th}-12^{th} grades to perform community service at our Summer Youth Recreation Program. This program promotes professional growth and personal development.
