

CITY OF DALY CITY
MINUTES – REGULAR MEETING - CITY COUNCIL
April 27, 2009

The meeting was called to order by Mayor Torres at 7:04 P.M.

ROLL CALL: Councilmembers Present:

Sal Torres, Mayor
David J. Canepa
Maggie Gomez
Michael P. Guingona
Carol L. Klatt

Staff Present:

Patricia E. Martel, City Manager
Kerry E. Burns, Assistant City Manager
Rose L. Zimmerman, City Attorney
K. Annette Hipona, City Clerk

PRESENTATIONS:

Donation from the Friends of the Daly City Library to Fund the New Adult Summer Reading Program

John Armfield, President of the Friends of the Daly City Library introduced the Board of Directors Ruth Hoppin, Carolee Padgett and June Neuhaus, and Vice President Marie Brizuela.

Marie Brizuela presented a check to Library Director Carol Simmons in the amount of \$2,000 to fund the new Adult Summer Reading Program. Ms. Simmons thanked the Board of Directors of the Friends of the Daly City Library.

Pacific Gas and Electric Acknowledging Peak Energy Use Efficiency by the Department of Water and Wastewater Resources

Cathy Lavisio, representative from Pacific Gas and Electric presented an award to Cynthia Royer, Manager of Technical Services and Kevin Brown, Chief of Operations, from the Department of Water and Wastewater Resources in recognition of the City's participation in PG&E's Demand Response Program. Ms. Royer thanked PG&E for this recognition and the City Council for the support.

APPROVAL OF MINUTES:

Regular Meetings of March 9 and March 23, 2009

It was moved by Councilmember Gomez, seconded by Councilmember Guingona and carried to approve the minutes of March 9 and March 23, 2009.

APPROVAL OF AGENDA:

It was moved by Councilmember Guingona, seconded by Mayor Torres and carried to approve the agenda.

CONSENT AGENDA

Mayor Torres stated it was requested that Item No. 4, Amending Traffic Regulations: Designating No Parking (Red) Zone along the east curb of Sullivan Avenue, north of Southgate Avenue and extending north to the Seton Hospital driveway entrance (TSR 09-43). (Cont'd. from 03/09/09) would be taken at the end of the Consent Agenda.

RESOLUTIONS:

Approving Plans and Specifications, Affirming CEQA Determination and Authorizing Solicitation of Bids for Serramonte Library/Gellert Park Parking Lot "Green Streets" Demonstration Project

Resolution No. 09-52, Approving Design Documents and Authorizing Bid Invitations Re: Serramonte Library/Gellert Park Parking Lot "Green Streets" Demonstration Project

Setting Time and Place of Public Hearing - re: Establishing the Services and Assessments for Linda Vista Area of Benefit for Fiscal Year 2009-2010

Resolution No. 09-53, Setting Time and Place of Public Hearing Re: Approve Engineer's Report and to Establish the Annual Benefit Assessments for the Linda Vista Area for Fiscal Year 2009-2010, Hearing 06/08/09 – 7:00 P.M.

Accepting Notice of Completion for Mission Street/Vista Grande Avenue Traffic Signal

Resolution No. 09-54, Accepting Completion of Certain Project in the Department of Public Works (Mission Street/Vista Grande Avenue Traffic Signal)

Supporting the Employee Free Choice Act

Resolution No. 09-55, Supporting the Employee Free Choice Act of 2009 – HR 1409

END OF CONSENT AGENDA

It was moved by Councilmember Guingona, seconded by Councilmember Klatt and carried to approve and adopt the Consent Agenda, as amended.

RESOLUTIONS:

Amending Traffic Regulations

Director of Public Works John Fuller reported that this item regarding the elimination of permanent parking on Sullivan Avenue was previously submitted for consideration at the March 9, 2009 City Council meeting after being considered by the Traffic Committee. Mr. Fuller gave a PowerPoint presentation showing the serious safety related factors at this section of Sullivan Avenue as outlined in the Agenda Report.

Staff recommends prohibiting parking on Sullivan Avenue. There is parking available on Cerro Drive and Callan Boulevard.

Police Chief Gary McLane added that this proposed solution creates more problems than it solves. Chief McLane was concerned about the potential hazards for the pedestrian who crosses that area of Sullivan from the east curb to the west with the speeds that vehicles travel and the blind hill.

Councilmember Canepa submitted the Traffic Collision History Report, which shows that the area is not unsafe. He expressed his concern that no other alternatives were provided. Councilmember Canepa suggested allowing parking during church services and creating a no parking zone outside of church services. At the same time, St. Andrew's will be responsible for making sure that parishioners cross safely by providing a traffic guard before and after mass.

Councilmember Gomez was concerned about the safety of people attending church that jaywalk across that street and the potential for head on collisions.

Councilmember Guingona was interested in trying to resolve the parishioners' interest in convenience versus the City's interest in preserving the safety for people of that area. I looked at the area and my observation was exactly what staff determined that during church hours there is a potential for compromised safety in that area.

Councilmember Klatt gave an example of a potential safety hazard that happened to her and her husband on Sunday while driving on Sullivan Avenue.

The following individuals asked the Council to allow parking on both sides of Sullivan Avenue:

Rolito Recio
Mila Ramirez
Daniel Raval
Michele Bussey
Ning Ludovico
Edward Barbieri

City Manager Patricia Martel stated the difficulty with the parking goes back to when the apartments were converted to condominiums; with that decision, the church deciding to lease its land for the purpose of the senior housing that impacted the church's parking. But there was always a requirement for the church to have adequate parking. Tonight's issue is the parking on the east side of Sullivan Avenue. Since parking on the east side on Sullivan Avenue would only provide ten additional parking spaces, Staff determined it would not solve the parking issue. The other issue is getting the cars out of the fire lanes and parking in an adequate safe area that really calls for the alternative staff has provided, which is to park on Callan Boulevard.

Councilmember Canepa motioned to allowing parking during church services and creating a no parking zone outside of church services. At the same time, St. Andrew's will be responsible for making sure that parishioners cross safely by providing a traffic guard before and after mass with a six month trial period. Due to a lack of a second, the motion failed.

It was moved by Councilmember Klatt, seconded by Councilmember Gomez and carried with Councilmember Canepa voting "No" to adopt the following resolution:

Resolution No. 09-56, Establishing Traffic Regulations

Designating No Parking (Red) Zone along the east curb of Sullivan Avenue, north of Southgate Avenue and extending north to the Seton Hospital driveway entrance (TSR 09-43) (Cont'd. from 03/09/09)

PUBLIC HEARINGS:

Joint Session with the Redevelopment Agency

Mayor Torres called to order the Joint Public Hearing of the City Council of the City of Daly City and the Daly City Redevelopment Agency and upon roll call; Directors Canepa, Gomez, Guingona, Klatt and Torres were recorded present.

Disposition and Development Agreement (DDA) with Habitat for Humanity Greater San Francisco for Development of Two Units of Affordable Housing at 101 Parkview Avenue (Parkview Clubhouse)

Mayor Torres opened the public hearing. Mayor Torres stated the purpose of this joint public hearing of the City Council and the Redevelopment Agency is to consider a Disposition and Development Agreement with Habitat for Humanity for the development of two units of Affordable Housing at 101 Parkview Avenue. I, acting as Mayor, will chair the Joint Hearing. We will first hear a presentation by staff and then hear public testimony. Individuals wishing to speak on this item are requested to fill out the cards at the front, and submit them to staff.

Housing and Community Development Supervisor Betsy ZoBell placed into record the following documents: Copy of the Disposition and Development Agreement, Summary of Disposition and Development Agreement and Affidavit of Publication of Notice of Public Hearing.

Ms. ZoBell stated the Disposition and Development Agreement pertains to development of two single family homes by Habitat for Humanity Greater San Francisco. The site of the development is owned by the Agency and is located at the former Parkview Clubhouse. Until 2001 this site was a frequently used clubhouse, one of several facilities operated by the City's Park and Recreation Department.

After the installation of a new clubhouse at Marchbank Park, the property was acquired by the Redevelopment Agency. At that time discussion began with Habitat for Humanity who was looking for sites to develop affordable housing in Daly City. The Parkview Clubhouse site was preferred due to its central location, proximity to schools, transportation and other services. Henceforth, we have been working with Habitat's staff to put together a project befitting Habitat's mission, community needs and the City's affordable housing objectives.

In 2007 a minor subdivision and variance was approved by the City and this provided the development of two detached single-family homes for very low income families. The homes will be two stories, three bedroom single family dwellings and each will provide two off-street parking spaces as well as a landscaped front yard.

The total estimate development cost for the proposed project is \$961,000 and of this, Habitat intends to provide approximately \$620,000 through fundraising and donations of time and materials. The remaining cost of the project would be provided by using City and Agency resources.

Judith Christensen was in support of this project and looked forward in helping Habitat build this project.

It was moved by Councilmember Guingona, seconded by Councilmember Klatt and carried to close the joint hearing.

It was moved by Councilmember Guingona, seconded by Councilmember Gomez and carried by unanimous roll call vote to adopt the following resolution:

Resolution No. 09-57, Approving the Execution of a DDA Between the Redevelopment Agency of the City of Daly City and Habitat for Humanity Greater San Francisco (Agency-owned real property at 101 Parkview Avenue)

End of Joint Session

Consideration of the City's HUD Consolidated One-Year Action Plan for Fiscal Year 2009-2010 and Consideration of a Substantial Amendment to the Current Fiscal Year 2008-2009 Action Plan

Housing and Community Development Supervisor Betsy ZoBell requested that the City Council conduct a public hearing on the One-Year HUD Consolidated Action Plan for Fiscal Year 2009-10 and an amendment to the current Fiscal Year 2008-09 Action Plan.

We are also requesting that Council adopt a resolution approving the 2009-10 One Year Plan and 2008-09 amendment.

The 2009-10 Action Plan and the 2008-09 amendment was reviewed and recommended by the CDBG Advisory Committee, comprised of Councilmembers Klatt and Gomez, who met with Staff on March 19. The 2009-10 Action Plan describes how HUD will be allocated to various activities for the coming fiscal year. The task of allocating limited Community Development Block Grant funds was a great challenge this year. The City received over \$1.9 million in request for a total of \$1.7 million in available block grant funds.

Ms. ZoBell summarized the Committee's recommendations for specific activities and allocation of available block grant funds as outlined in Exhibit A in the Agenda Report.

The Action Plan also describes how it's going to utilize Federal HOME funds. For 2009-10, the City will receive a direct allocation of \$557,000 in Federal HOME funds and the committee recommends that these funds be used to subsidize the development of new affordable housing.

In addition to the consideration of the 2009-10 Action Plan is the proposed amendment to the 2008-09 HUD Action Plan and relates to how the City will use funds provided through the American Recovery and Reinvestment Act, also know as Federal Stimulus Funds.

HUD is requiring that the 2008-09 Action Plan be formally amended to how these funds will be spent. The Recovery Act will provide Daly City with a special allocation of one-time block grant funds in the amount of \$333,637 and these funds may be used for the full range of Community Development Block Grant activities particularly those activities that result in job creation and economic benefit.

HUD is requiring that recipients commit and spend these funds as soon as possible. The Community Development Block Grant Advisory Committee recommended that these funds be used for administrative program and various site preparation costs associated with the development of affordable housing at 7555 Mission Street. Specifically, the funds will be used for relocation, demolitions of existing structures, soil remediation and water infrastructure improvements.

In addition to the block grant funds, the Recovery Act will provide a one-time allocation of Homeless Prevention and Rapid Re-Housing funds in the amount of \$510,000. The Homeless Prevention funds can be used for activities designed to help prevent people from becoming homeless and to quickly re-house those who do. The Committee recommendation to amend the 2008-09 Action Plan will enable the City to accept these homeless prevention funds and implement the program to undertake eligible activities.

We have provided ample opportunities for public input. We held a public hearing on Housing and Community Development needs in January. We completed our RFP process for Community Development Block Grant applicants. A summary of the action plan and the amendment as well as tonight's hearing was published in the Examiner. The One-Year Action Plan and the Action Plan Amendment was made available at the Daly City Libraries, Community Service Center, and City Hall and on the City's Website. To date, we have not received any public comments regarding the 2009-10 Action Plan or the 2008-09 Action Plan Amendment.

Mayor Torres opened the public hearing.

The following individuals expressed appreciation for the Council's support:

Jacob Lile, representing Shelter Network/Family Crossroads
Diane Papan, representing John's Closet
Yvonne Frazier, representing Service League, was here on behalf of Michael Nevin
Bruce Jenks, representing Second Harvest Food Bank
Holly Fulghum-Nutters, representing Project Read
Ann Sims, representing Bayshore Child Care
Denise Kelly, representing North Peninsula Food Pantry and Dining Center of Daly City
Angela Bruno-Castro, representing Mental Health Association - Friendship Center
Joy Dickinson, representing CORA
Lois Ward, representing Human Investment Project (HIP) Housing,
Melissa Platte, representing Spring Street Shelter
Doran Martin, representing North Peninsula Neighborhood Center
Tippy Irwin, representing Ombudsman Services
Kimberley Gillette, representing Daly City Youth Health Center
Kent Mickelson, representing Center for Independence of the Disabled
Sharon Peterson and Maryam Bhiimji, representing Samaritan House/Safe Harbor
Leanne Young, representing Pilipino Bayanihan Resource Center
Stacey Hawver, representing Legal Aid Society of San Mateo County
Mary Prem, representing Project Sentinel

It was moved by Councilmember Gomez, seconded by Councilmember Guingona and carried to close the public hearing.

It was moved by Councilmember Klatt, seconded by Councilmember Gomez and carried by unanimous roll call vote to adopt the following resolution:

Resolution No. 09-58, Approving the City's One-Year Action Plan for Fiscal Year 2009-2010 (July 1, 2009 through June 30, 2010)

Request to Approve Penalty Increase for Parking Violations within the City of Daly City

Police Captain Eric Wollman requested approval of the penalty increase for parking violations within the City of Daly City.

SB 1407 was signed by the Governor and became effective January 2009. This bill authorized the issuance of up to \$5 billion in lease revenue bonds for purposes of financing, planning, design, construction, rehabilitation, renovation, replacement, and leasing or acquisition of state trial court facilities. The measure also authorizes a variety of increases to penalties and fees as revenue sources for the bonds.

SB 1407 amends subdivision (b) of section 70372 of the Government Code to authorize the removal of an additional \$3.00 surcharge to the Immediate & Critical Needs Construction Fund from each parking violation. In addition, the County will require an additional \$1.50 be sent to the state for the Courthouse Facilities Construction Fund. Therefore, the total penalty removed by the State from each parking violation is \$4.50. These State penalties are to be taken from the fines and forfeitures prior to any divisions and deposited with the County Treasurer on a monthly basis.

Due to the enactment of SB 1407, the City's overall revenue from each parking citation will be decreased by \$4.50. In order to maintain revenue levels, it is necessary for the City to increase parking citation fees by at least \$4.50.

The Police Department recommends raising the parking fines by \$5.00 in order to offset the surcharge being taken by the state. The City has not increased parking citation fines since 2002.

The Daly City Police Department issues approximately 75,000 parking citations a year. Using this as a gauge, subtracting \$4.50 from each citation that will be redirected to the state would negatively impact our budget by \$337,500.00. The increase in parking violation fines will allow the City of Daly City to maintain the revenue stream that existed prior to the increase of the surcharge being taken by the State.

Mayor Torres opened the public hearing.

It was moved by Councilmember Gomez, seconded by Councilmember Guingona and carried to close the public hearing.

It was moved by Councilmember Gomez, seconded by Councilmember Klatt and carried by unanimous roll call vote to adopt the following resolution:

Resolution No. 09-59, Authorizing an Amendment to Bail Schedule for Parking Violations

Maintaining Daly City's Local National Pollutant Discharge Elimination System (NPDES) Stormwater Regulatory Fee

Director of Water and Wastewater Resources Patrick Sweetland requested the continuation of the local National Pollutant Discharge Elimination Safety fee established back in 1995 under Ordinance No. 1219.

The financing fee provides local specific program activities as mandated by our municipal stormwater permit. The amount of money it generates is about \$449,000. Mr. Sweetland summarized a breakdown of the cost per parcel outlined in the Agenda Report. The fee has remained unchanged for the past 14 years.

Staff cautions that the current permit we operate under is subject to a public hearing on May 13th which will be part of the nine bay areas consolidated regional permit. We do not yet know what the cost implications will be, but initial estimates will be a six fold increase of what we are now financing. We will be coming back as part of the budget on that item.

Mayor Torres opened the public hearing.

It was moved by Councilmember Klatt, seconded by Councilmember Guingona and carried to close the public hearing.

It was moved by Councilmember Guingona, seconded by Councilmember Klatt and carried by unanimous roll call vote to adopt the following resolution:

Resolution No. 09-60, Maintaining Regulatory Fees Necessary to Fund the City's Local Specific Stormwater Management Plan Program Activities as to the National Pollutant Discharge Elimination System (NPDES) and Authorizing their Collection on the Property Tax Roll

COMMUNICATIONS:

Use Permit and Environmental Assessment for the Establishment of a Tanning Salon at 490 Westlake Center

Planning Manager Tatum Mothershead gave a PowerPoint presentation on the project site and reviewed the applicant's request to obtain use permit approval for a tanning salon use within the new Westlake Nail Spa at 490 Westlake Center. The site is located on the west side of the shopping center, just south of the DSW Shoe Warehouse and north of Home Depot along Lake Merced Boulevard. The zoning is a PD60, which does allow nail salons, but tanning uses require a use permit in all commercial zones. The proposed tenant space would be in Building W, which is the large parking structure that faces Lake Merced Boulevard. The proposed nail salon would be next to Massage Envy.

It was moved by Councilmember Guingona, seconded by Councilmember Torres and carried to concur with the Categorical Exemption under CEQA requirements.

It was moved by Councilmember Guingona, seconded by Councilmember Gomez and carried to affirm the findings of the Planning Commission as contained in their communication on file in the Office of the City Clerk.

It was moved by Councilmember Guingona, seconded by Councilmember Gomez and carried by unanimous roll call vote to adopt the following resolution:

Resolution No. 09-61, Adopting Findings of Fact and Imposing Conditions of Approval on Use Permit (UP09-2), for the Establishment of a Tanning Salon at 490 Westlake Center

RESOLUTIONS:

Authorizing Execution of Professional Services Contract with California Shopping Cart Retrieval Corporation for the Retrieval of Abandoned Shopping Carts and Appropriation of Funds in the Amount of \$18,000

Code Enforcement Officer Keith Young stated the shopping cart ordinance went into effect in December 2008. Tonight we are requesting approval to appropriate funds for the shopping cart retrieval service and to award a contract to California Shopping Cart Retrieval Corporation.

The shopping cart ordinance provides three options for a business to comply with this requirement. They can elect to form a private consortium, join a City organized consortium or provide physical measures on shopping carts and submit a Shopping Cart Retrieval Plan to the City.

To complete this program, staff needs to identify the best service provider. In this process we accepted bids from approximately three organizations. We used a rating system to determine the best bidder and with \$3.00 per cart and with a cost of \$18,000 for the first year, we determined that California Shopping Cart Retrieval Corporation was the best proposal the City received.

Staff has a goal to make this program self-sufficient within one to two years. Staff plans to have the businesses submit their retrieval plans to the city and also surveying the City to make sure that these plans are effective.

Upon approval, the California Shopping Cart Retrieval Corporation will be out in the City advising businesses and notifying them that the shopping cart retrieval ordinance is now in effect and officially in operation.

Assistant Director of Economic and Community Development Peter Pirnejad stated the proposal is \$3.25 per cart and not to exceed more than \$18,000 per year. The appropriation of funds is to subsidize that entirely for the first year possibly the second year.

Councilmember Canepa felt that the \$18,000 was not prudent at this time considering the City's financial constraints.

It was moved by Councilmember Guingona, seconded by Councilmember Gomez and carried with Councilmember Canepa voting "No" to adopt the following resolution:

Resolution No. 09-62, Approving and Authorizing Execution of the Professional Services Agreement with California Shopping Cart Retrieval Corporation

PUBLIC APPEARANCES/ORAL COMMUNICATIONS:

The following Franciscan Mobile Home Park residents were concern about the rent increase, unpaid property taxes, missing funds, loss of services and increased criminal activity:

Robert Lloyd
Sandra Holman
Candi Campbell

Mamie Zhu
Linda Civitello
Christian Paech
Linda Morello
Ken Lundie
Sonny Quinquini
Mike McPeak

One resident complained about the rents being increased and another resident was worried about the really tall trees and the land sliding into her house.

City Manager Patricia Martel felt it is important to understand that LINC has a responsibility to interact with the Franciscan Housing Corporation Board. LINC does not independently make decisions about what happens at the Franciscan Mobile Home Park. LINC uses their investment earnings to help offset the operating costs of the various operations, including the Franciscan Mobile Home Park.

LINC has seen their investments earnings decline in the last year with the downfall in the economy that has contributed substantially to the \$250,000 plus budget deficit that the Franciscan Mobile Home Park operation is causing for LINC Housing. In order to deal with the issue, LINC discussed with the housing corporation board on how they could make up the deficit. The Board required LINC to look at options that would provide the least impact on services and the least amount of increase in rent.

Director of Economic and Community Development and the Treasurer of the Franciscan Housing Corporation Board Richard Berger stated the decline in revenue that the Park had is not just from LINC investments, it is investments of money at the Franciscan Mobile Home Park.

LINC bought the Park in 2002 from a variety of owners of the land and the Park's management. Bonds were used to purchase the Park. The Bonds were worth a little over \$55,000,000. The money had to be put in a reserve that earned really low interest. The return on the money to the Park was short about \$247,000.

A rent increase of \$100 to cover this year was suggested and the Board was not happy with just raising rents. We looked at other options like security service and resident services. What the Board voted on was presented at the April 8th meeting to the resident association, which was a \$50 rent increase, eliminating the resident services until there could be a return on that investment and a reduction in one shift during the day of the security service. The Board felt it was important to have a guard through the day, late in the day and at night.

Mr. Berger further stated that all property taxes from the Franciscan Mobile Home Park are paid and up to date.

Mayor Torres stated it angered him to hear that people are being harassed and intimidated. He said he will work with staff to get information together. He would contact LINC. He would also like to attend a resident association meeting to provide the residents with an update on this issue and hold a meeting in a month for everyone to hear an update.

Judith Christensen stated the San Mateo County Democratic Central Committee recently passed a resolution asking the Council to reverse its decision to cut the City Clerk's salary by 50%. The reason given was there is substantial legal precedent that this pay cut of an elected official during their term of office is illegal.

Dana Smith stated this Council and the City Manager has tarnished the reputation of Daly City and continued to tarnish it every single day that they persist in targeting one person out of the 500 employees who work in Daly City government. The one targeted person is our elected City Clerk. They permanently cut her pay by more than 50% while ignoring everyone else.

Lillian Carlson stated this pay cut is not about money at all, it is pure political retribution. This City Council did not want Annette Hipona as our City Clerk.

Sylvia Alvarez-Lynch stated Daly City is in an economic crisis. The City Manager earns over \$300,000 a year and all department heads make over \$100,000 a year. They were in charge of recommending budget cuts to save the City from bankruptcy. None of them recommended a pay cut for themselves to save employees or programs providing service to our residents.

William "Two Bears" Guillory thanked the Council for the condolences on the loss of his wife and adjourning the April 13, 2009 meeting in her memory.

Mayor Torres recessed the meeting at 9:43 P.M.

Mayor Torres reconvened the meeting at 9:45 P.M.

APPOINTMENTS:

Board/Commission Membership Committee Appointments

Planning Commission

It was moved by Mayor Torres, seconded by Councilmember Guingona and carried to appoint Howard Edelman to the Planning Commission to fill the unexpired term of Susan Salamy. Mr. Edelman's term expires September 11, 2010.

Parks and Recreation Commission

It was moved by Mayor Torres, seconded by Councilmember Guingona and carried to reappoint Eric Zeemering to the Parks and Recreation with term expiring August 28, 2009.

Library Board of Trustees

It was moved by Mayor Torres, seconded by Councilmember Guingona and carried to appoint Arlene Encarnacion to the Library Board of Trustees with term expiring April 27, 2012.

REPORTS:

Council Committee

Council Committee Meetings from April 13 -26, 2009

The Council Committees reported on the following:

Sullivan Avenue Subcommittee Meeting (Guingona/Canepa)
Design Review Permit DR08-1 (ZC08-1, MS08-1) 140 Third Avenue New Construction of Two Single Family Residences (Gomez/Klatt)

Disposition and Development Agreement, Allocation of HOME and CDBG Funds for
Habitat for Humanity Proposed Development of 7555 Mission Street (Klatt/Guingona)
Jefferson Elementary School District Committee Re: Hill Street Development and Other
Miscellaneous Items (Canepa/Klatt)

City Council

Councilmember Gomez reported that the JPA's budget was approved and that the Silver Dragon Three, which was a full scale exercise of a Mock Bio-terrorism Attack of Amtrak, involving eleven cities, including Daly City, to see how long it would take the CERT teams to canvass a neighborhood in conjunction with the County Public Health Department and the objective was to distribute antibiotics in 48 hours was more than successful. The CERT teams were able to deliver to more than 14,500 households with the three hour time frame.

REPORTS: Continued

City Council Cont'd.

Councilmember Klatt announced that the Daly City Employee Art Show will be on display in the Rotunda from May 1 to 31, 2009.

Staff

There were no reports.

ADJOURNMENT:

It was moved by Councilmember Guingona, seconded by Councilmember Gomez and carried to adjourn the meeting at 10:00 P.M. in memory of Phil Dittrich and Thelma Knight.

K. ANNETTE HIPONA

City Clerk

Approved as submitted, this 8th

day of June, 2009.

SAL TORRES

Mayor
