DIRECTOR'S REPORT
Age Friendly Strategic Plan
Director of Recreation Services Denise Brown introduced Senior Recreation Services Supervisor Jennifer Der who went over the timeline of Age Friendly Daly City:

- June 2019, applied to join the AARP Network of Age-Friendly States and Communities and the World Health Organization (WHO) Global Network of Age-Friendly Cities and Communities. They became part of the 3-City Pilot Program of the Age-Friendly San Mateo County Initiative.
- June 25, 2020, received designation as an Age Friendly City by WHO and AARP.
- November 3, 2020 Measure Q funds passed and City Council approved $500,000 annually to Recreation Services specific to Active Adult/Seniors.
- AARP conducted an age-friendly survey and a city-wide age-friendly task force works with CAFE (center for age-friendly excellence) on a city-wide action plan.
- December 7, 2023 there will be a town hall meeting in City Hall Council Chambers 6:30 -8:00 pm to get input from the city.

Recreation Services commitment to age-friendly excellence include: The hiring of two Senior Services Specialists in 2021, with a third spot that just opened up. The congregate lunch program is now being offered at four locations. The Walkabout program was restored Friday mornings at Serramonte Mall in partnership with Seton. Doelger Senior Center is housing a food pantry with support from the Second Harvest Food Bank. With allotted Measure Q funds, fitness courts at Lincoln and Westlake were added, as well as new billiard tables, ping-pong tables, board games and music at the recreation centers. Through surveys taken, it was learned that dance, fitness/exercise and socializing is what the community was most interested in so programming, program enhancements and workshops were implemented, as well as annual turkey giveaways, volunteer and holiday socials and daily coffee and tea offerings.

Mini Hoops Recap
Director of Recreation Services Denise Brown introduced Recreation Services Coordinator Brian Flowers who talked about the Mini Hoops program. It's a basketball program for first and second graders to introduce the game in a non-competitive setting, teaching the basics of dribbling and shooting while building confidence. The hoops are lowered to eight feet and 27.5 balls are used. The program relies on parent volunteers. This season was six weeks long running from September 8 to October 14, with Friday evening and Saturday morning sessions and a total of 108 participants.

Aquatics Program Area
Director of Recreation Services Denise Brown introduced Recreation Services Coordinator Brian Sai who gave an overview of what the Aquatics program at Giammona Pool offers. In the summer they offer Aqua Fit, lap swim, Aqua camp, swim lessons, pool parties, recreation swim and lifeguard courses. In the fall and winter, programs offered are Aqua fit, lap swim, recreation swim, swim lessons and pool parties. Fewer programs are offered in the fall and winter because the pool is shared with Westmoore High School.
